Most patients that come to our office have one of two objectives in mind concerning their health care. Some patients come to simply ease their pain or discomfort (Relief Care). Others are interested in having the cause of the problem, as well as the symptoms corrected (Corrective care). Our team of Doctors will weigh your needs and desires when recommending your treatment plan.

Please check the type of care desired so that we may be guided by your wishes whenever possible.

INFORMED CONSENT TO TREATMENT

Physicians, Chiropractors, Osteopaths, and Physiotherapists using manual manipulation are required to advise their patients:

1. With neck problems there have been rare incidents of injury to the vertebral artery during the course of treatment. These have caused STROKES OR STROKE-LIKE occurrences, which are usually of a temporary nature. The chances of this happening are approximately 2 in 1 million treatments.
2. With back or neck problems there have been rare incidents of rib separation or fracture, disc disease and more common pain, bruising, swelling, or aggravation of symptoms.

APPROPRIATE TESTS WILL BE PERFORMED ON YOU TO MINIMIZE YOUR RISK.

I hereby consent to the chiropractic treatment indicated as needed and explained to me. If during the course of treatment unforeseen conditions are discovered or unusual conditions develop, I further consent to such additional diagnostic measures and treatment as may be indicated by sound and prudent chiropractic practice which may require additional x-rays, chiropractic, orthopedic, neurological and or laboratory testing, or consulting with another doctor.

No guarantee or warranty has been made to me that results will be to my complete satisfaction.

IF YOU HAVE ANY QUESTIONS ABOUT THIS PLEASE ASK YOUR CHIROPRACTOR.

I HAVE READ THE ABOVE, UNDERSTAND AND CONSENT TO TREATMENT.

PATIENT FINANCIAL POLICIES

WORKER'S COMPENSATION

It is necessary to be referred by your primary care physician to obtain chiropractic care through your Worker's Compensation. The initial exam must be within two weeks of the date of injury to receive authorization for your treatment. Our insurance department will be happy to assist you throughout the process.

PERSONAL INJURIES/AUTO ACCIDENTS We do not accept 3rd party liability claims.

Listed below are ways we will accept your personal injury/auto accident case (In order that is most advantageous to the patient):

1. **PIP** – Personal Injury Protection – There is no out of pocket expense and it is a no fault coverage claim on your auto insurance policy. This will not go against your insurance record or affect your premiums.
2. **Attorney** – We can refer you to an attorney if needed. Your expenses may be covered with a “Letter of Protection” from your attorney or legal representative.
3. **Health Insurance** – You accept responsibility for your portion of the services rendered based on your insurance benefits.

If you suspend or terminate care, any fees for services are due immediately.

GROUP/INDIVIDUAL INSURANCE

Your health insurance is a contractual agreement between you, your insurance company and Peak Chiropractic and Rehab. As a courtesy, our office will help you collect from your insurance company for services rendered. It is understood that you are personally responsible for payment of services if your insurance company does not meet their obligation.

PATIENT'S WITH NO INSURANCE

We request that each visit be paid in full at the time of service. For convenience payments may be arranged so as to only have to write one check per week. We happily accept MasterCard, Visa, Discover, and AMEX.

MEDICARE

Medicare only covers adjustments based on medical necessity. Medicare does not cover any type of physical therapy or rehab. This office is a participating provider and will file claims directly to Medicare.

REFUNDS

All refunds will be refunded back to you the same way you paid, check or credit card, through our accounting department and will be refunded no later than 1 week after the refund is requested as long as all insurance applicable has been applied and no other balances are due. This is necessary to give an accurate refund to the patient.

I have read and understand Peak Chiropractic and Rehab's financial policy and I agree to the terms and conditions of the policy.
